Amplifier Staff Copy

The Amplifier Staff is keeping up with the times. This year they purchased two computers. When asked, "Why a computer", Mr. Schmorrow stated, "It's where the world is heading. It can greatly help in the production of the paper and keep records." The computers were bought through last year's ad revenue.

One of the biggest accomplishments of the Amplifier Staff is their Christmas issue. In past years, it has brought in a lot of profit for the staff.

Another accomplishment is the staff itself. Mr. Schmorrow quotes, "This staff is accepting their responsibilities and performing them on time. This wasn't always the case last year. This year's staff displays a high maturity level."

Mr. Schmorrow greatly appreciates the staff and all they have done. Few students are experienced. "Jill Reid, Pat Kegley, and Kim Krohn are the only seniors with any experience. A lot of the credit has to go to them," said Mr. Schmorrow.

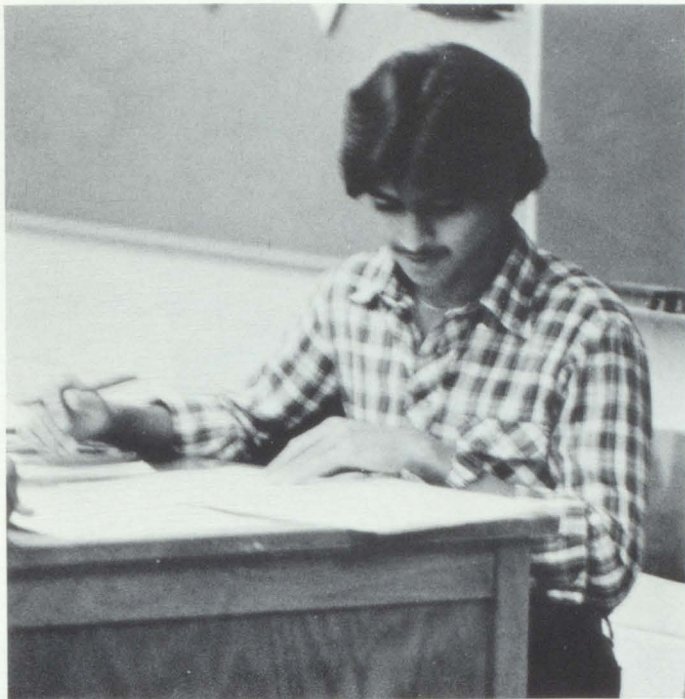

Memorizing the pages is a tough job but Mr. Schmorrow completes the task.

According to Mr. Andrew's, the Student Council advisor, this year's student council has done an excellent job. The first success was the homecoming festivities, including the dance. Mr. Andrew's commented, "Homecoming was a Big Success in getting the students, teachers, and community involved." He went on to say that another big success was the Walsh's Pizza Donation. The purpose of student council is to help the school and also help the community. Student council bought a computer printout for the Amplifier. The yearbook staff would like to thank the student council for buying the two Pentax camera's and the 50mm and the 80mm lenses, which will be especially helpful when shooting sports pictures. The student council also sponsored Carter Dougherty for his national music trip to Europe. When asked if he liked working with student council Mr. Andrew's said, "I like working with young people and student council gives me that chance. It's very rewarding. Student council has excellent leadership. They are never running out of things to do. The student council officers for this year are as follows: President - Kris Turner, Vice-President - Alan Collard, Treasure - Steve Maday, Secretary - Kim Ladd.

The National Honor Society is one of the most honorable clubs within our school. It is not like most clubs that someone may just decide to join, first a person must have a 3.5 average as a sophomore, 3.4 as a junior, and 3.3 as a senior. Then, as a candidate, a person is invited to join. Every member must be able to measure up to the standards that are expected.

This year, as in years past, the National Honor Society had another very successful sale. Compared to last years poster and novelty sale, this year they sold calendars. "The sale turned out excellent" commented Mrs. Gorham, club advisor.

When asked what the money was going to be used for, Mrs. Gorham said, "We would like to donate a scholarship to one of our members in June."

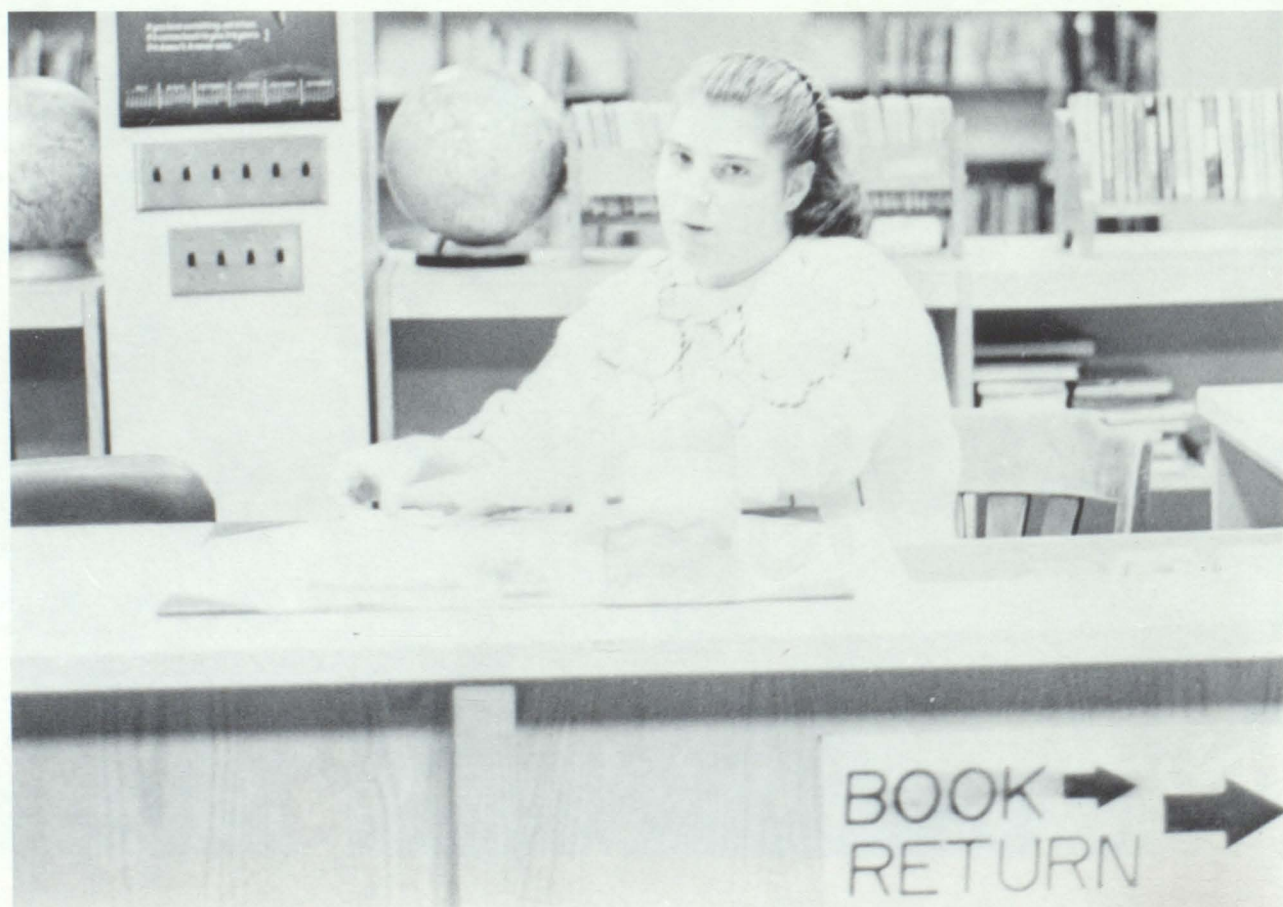

There are National Honor Society Clubs in practically every high school in the United States. It is a great help when moving on to college and is a chance to meet new people from other schools.

Encores for Coming Home!

Tim Hartig, Rob Foster, Kevin Palmateer, Jeff Dodson, Marco Casali, Steve Nofs, and Steve Palmateer.

The first annual Coming Home was a definite success. The festivities started out with a week full of fun and excitement. During the week there was a spirit contest. Each had a special theme starting with Security Day, Occupation Day, Clash Day, Sweats Day, and ending on Friday with Blue/White Day. Class competition was featured each day, the highlights on Friday was the most decorated hall contest, which was won by the junior class.

MHS Coming Home is similar to Homecoming. Instead of having a queen and her court, a king and his court is chosen. This years king is Steve Nofs. He was crowned Friday, February 11, 1983, during the half-time of the Cros-Lex, Marysville basketball game. King Steve and his court reigned over the dance held at Gardens School on Saturday the 12th.

Due to the overwhelming amount of participation of each class this year, MHS plans to continue this celebration for years to come.

1. Senior members of the Coming Home court: Tim Hartig, Steve Nofs, Marco Casali, and Rob Foster.
2. On Clash Day the juniors Bill Francisco, Dan Roehl, Steve O'Mara, Mike Bennett and Kevin Luciani strutt their stuff.
3. Colleen Hoskins and friend, Bear, are winners of Security Day.
4. Winner Marty Newingham (far left), Tim Hartig, Tim Wedge, and Dave Wilkins show off on Clash Day.
5. Gary Headlee and Topper Stark show us what they dream of being when they grow up.

Center Stage for Campus Life

What is Campus Life? It is the High School club division of Youth for Christ. The supervisors must have a bachelors degree. Campus Life is non-demoninational and encourage the members to be positively involved in his or her own church. Campus Life is a non-profit organization, which emphasizes a "balanced philosophy of life" for teenagers. The typical club meeting often features open discussions on something the members want to talk about, loneliness, parents, death, happiness, the future or other topics then wrap up and talk about the next meeting. At the end of the meeting there is a get together where they can socialize with other members over different kinds of food. Campus life members enjoyed a trip to the Smokey Mountains and to Florida. They also had a mud bowl, and all-nite party, and a bike tour. Campus life is geared for high school students and meets at 7:00 on Mondays at members homes. If you would like more information contact Youth for Christ in Port Huron.

The Travel Club advisor, Miss Butler, said that the Travel Club has been very busy this year with their fundraisers, they have sold candy bars for 50 cents each. They followed this up with a button sale. The money earned will be used for a trip to Frankenmuth, Michigan, and New York City this year. Their major trip though will be next year, since they hope to go to Hawaii. Their activities this year featured lectures about different countries. They have two exchange students visiting M.H.S. this year, Anna Sarri from Finland, and Marisa Martin from Spain, in return Shari Ulrich has gone to Spain. This year's Travel Club officers were President, Anita Ulrich; Vice President, Pat Kegley; Secretary, Kim Porrett; and Treasurer, Lisa Kerr. This year's hardest worker, according to Miss Butler, was Anita Ulrich, "As President Anita has put in many extra hours organizing club activities, money making projects and trips."

Under the supervision of Mr. Goetz, the Nature Appreciation Club is now entering a third successful year as a Marysville High School organization. Commented Mr. Goetz, "The number of members has increased every year. We now have 114 members, the most we've ever had." He attributed the club's growth to the fact that they are now more active in recreational activities, and they are having more educational and informative programs. There are different social activities to participate in. There are different wildlife films at every meeting and there are often guest speakers. Mr. Goetz went on to suggest, that this year's goals for the Nature Appreciation Club seem to be very sincere, but not the easiest. "Our goal is to promote preservation of wildlife and land through actively getting involved as a collective unit with the outdoors," said Mr. Goetz.

As every year, the Nature Appreciation Club has a theme. 1982's theme was "This Is Your Land: Public Lands Belong To All Of Us". It was also the theme for National Wildlife Week.

The Nature Appreciation Club isn't all work though. They had many recreational activities this past year. In January, they packed up and headed out for Glacier National Park, in Montana. They also visited Joe Louis Arena for the N.H.L. Hockey Game.

How did they get the money to pay for all the fun? They had a jewelry sale, which was very successful, not to mention the annual candy sale. They also tried something new this year. They had a slave day. When asked what this day consisted of Mr. Goetz commented, "Members of the Nature Appreciation Club were hired out by community people to do chores such as cleaning windows, raking leaves, babysitting and car washes.

Seniors

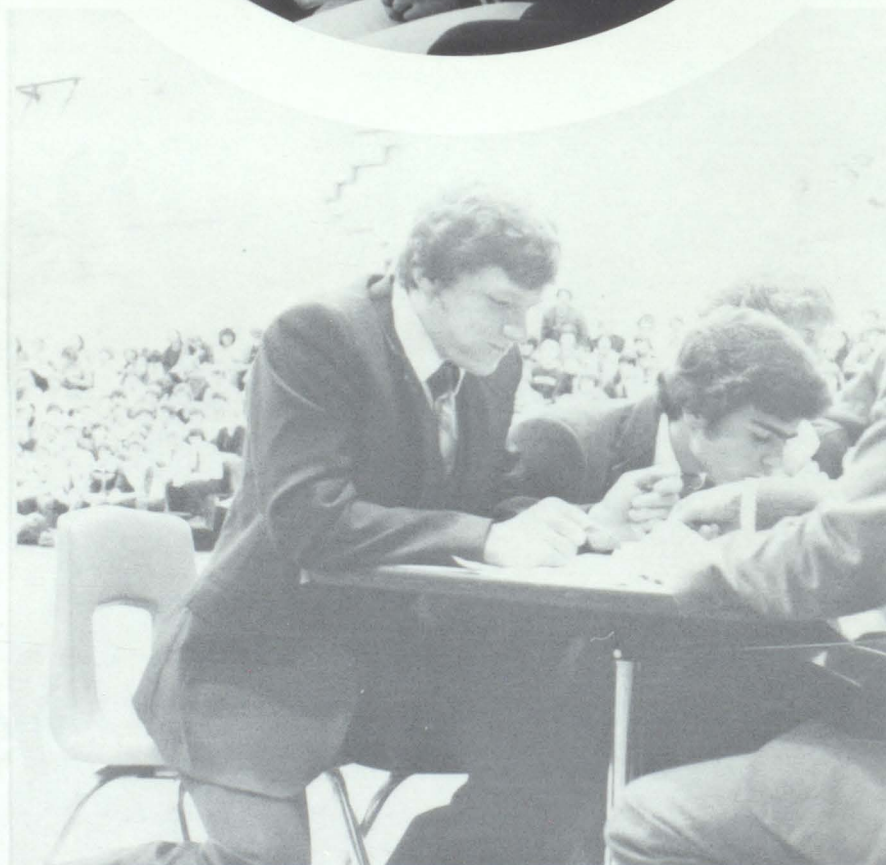

For the graduating class of 1983 this is the final act of a four-year drama. This climactic year is filled with celebration, tensions and advantages.

One of the early highlights of the senior year is the celebration of homecoming. Seniors have special worries about out-doing the underclassmen in float construction, but since only a senior girl may reign as queen, they do have an advantage.

Tensions continue to mount during November. The senior play is presented. Also this is the time for getting senior pictures taken and buying year-books. Next on the agenda, the seniors order caps, gowns and announcements.

On the other hand, one of the biggest advantages of being a senior is not having to take final exams.

The main event for the seniors is the senior prom, which takes place in June. The grand finale, commencement exercises, draws the year to a close.

Come One, Come All

Heading the list of scholars for the class of 1983 is Doug Marquis. Doug carried a 4.0 average throughout high school. Being an honor student has not kept Doug from extracurricular activities. The theater has always been of interest to Doug. In 9th grade he won a part in "Once Upon a Mattress" and he has had a part in every musical through his 4 years here. In his junior year he was the student director for the junior play, "Off the Track," and in his senior year he was stage manager for the senior play "Horror High". Doug has been an active member in band and Thespians since 9th grade, and joined NHS in his sophomore year. The yearbook staff is proud to honor Doug Marquis as this year's Val-educatorian.

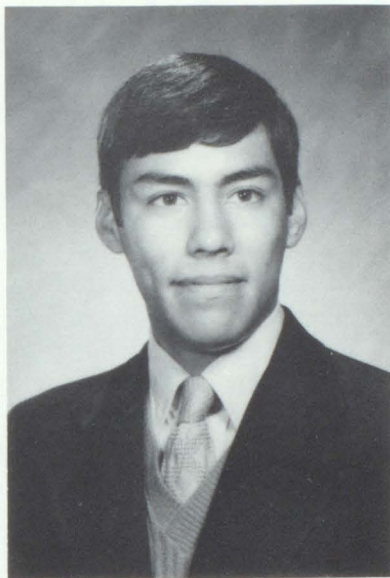

Honors of salutatorian were shared by Melissa Kerr and Susan Kim. Both girls carried a 3.97 average throughout high school.

Melissa has been in NHS since her sophomore year. In 12th grade she held the position of historian. Melissa has been active in NAC and travel club since 11th grade. She enjoys being a member of medical explorers and hopes to work in the medicine field one day.

Susan Kim also received the honor of being named salutatorian. Studying to stay at the top of the class didn't stop Susan from being active in extra-curricular activities. Susan has been a member of NHS since 10th grade, she held the position of vice-president in 11th grade and was chosen president in her senior year. In her senior year Susan held the title of class secretary.

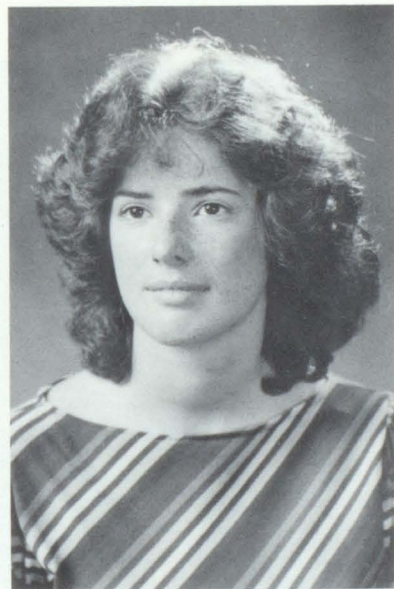

See the Honored Seniors

Pat Kegley was chosen for the Amplifier editor award for 1983. Pat served on the staff last year and was editor-in-chief for her senior year. A lot of responsibility goes with the territory and Pat put up with it all year. The yearbook staff congratulates Pat on her award.

West Point is a military academy which only accepts select members. Tony Foerster was selected to attend West Point next fall. To be considered for an academy nomination you have to fill out forms, write to senators and go through a lot of red tape. Tony went through it all and was fortunate enough to be accepted.

Sandy Beedon was co-editor of the 1983 yearbook. This four-year veteran has worked diligently and dependably. She was a patient and willing resource person for all new members of the Viking staff.

Judy Mertz was senior editor of the Viking. She has assumed much responsibility as business coordinator. She also put in a lot of extra hours after school in order to meet deadlines.

The Seniors Final Scene

"It came from the Student Lounge" was a comedy spoof on all the recent horror flicks. With the fine efforts of both the cast and the crew the play turned out to be a big success.

The setting of the play was a high school lounge where people mysteriously started to disappear. Marcus Toombs had just escaped from the asylum next door, and was out to get his revenge on the school and everyone in it for not making him president of the student body. The highlight of the play was the restaging of prom night to lure Marcus out of his hiding spot.

The seniors only had two evening performances of the play, the 19 & 20 of November. Audiences both night broke 100 people, which is a fairly good size audience.

"Off the Track", a comedy, was the highlight of last year's theatrical season. It was about 11 people stranded in a train station after their train was derailed. While at the station, the snobbish Mrs. Vanderventer's pearls turned up missing. It turned out they were in the poor Italian lady's, Mrs. Guarino's, picnic hamper. Silas, Mr. Morgan, and everyone else decided to set up a court to try Mrs. Guarino, to see if she was innocent or guilty.

After a long court scene, it was proven that the pearls had a faulty clasp and accidentally fell in the basket.

Many long nights went into getting sets built, lines learned and the whole show on the road. The whole cast and crew seemed to have a lot of fun under the direction of Mr. Ken Kraft.

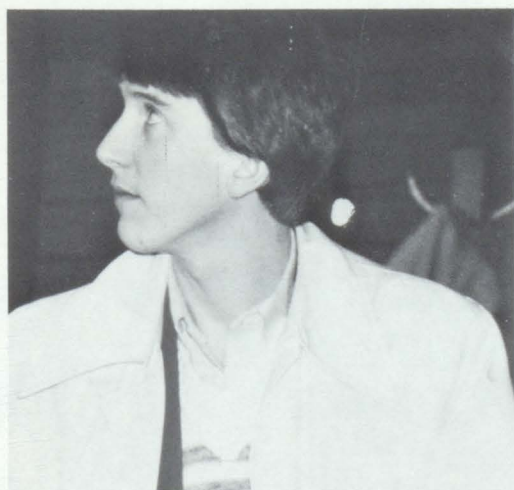

1. Pozenby (Sean Caverly) looks puzzled upon entering the train station.
2. Mrs. Guarino (Judy Mertz) comforts her baby as the nosey Miss Pidgie (Chris Netter) questions her on her family.
3. Students Bill (Scott Rogers), Flickie (Peggy Petrick), and Betty (Kris Turner) play an intense game of "Who's It" with Miss Pidgie.
4. Willie (Chris Jowett) appears to be thinking "Are you for real?" to Miss Pidgie as she questions Mrs. Guarino.

Performing Arts

This year's performing arts program were excellent in all areas. This year's band was very successful. Some of the new song's they learned were: "Let's Get Physical", "We got the Beat" and "Centerfold". Mr. Donald Jarchow, director of the Marysville High School Band, said that the band visited many new and exciting places this year. Such as Cedar Point.

This years band has fifty-six members. Mr. Jarchow said, that this larger sized band presented an impressive Christmas and spring concert. The band contains not only musician's but also Flag Girls. These girls had to practice just as long if not longer to perfect their routine. They received a lot of support from Mrs. Jarchow their director.

Choir was very good this year according to Mrs. Campbell Marysville High School Chorus director. They had a Christmas and a spring concert. The highlight of the Christmas concert was "Masters in the Hall". The choir improved a great deal especially since more boy's have decided to join.

The success of "It came from the Student Lounge" Miss Butler said. The senior play was successful due to the help of many people and without Doug Marquis help on the sets the play wouldn't have been possible. Miss Butler also commented on the stage band's excellent performance especially since it was their first public performance. Fifty-five members helped build new sets to use for the next few years to come.

Under the instruction of Mr. Don Jarchow, Flag Instructor Mrs. Althea Jarchow, and Drum Major Marilee Johnson, the 1982 Viking Regiment had a very successful season. Their support of the various fall activities including the Varsity Football Team allowed them to accompany the team to their M.H.S.A.A. State Playoff games, as well as the many other halftime shows during the season.

Their activities were numerous and included the Blue Water Festival Parade, Sarnia Christmas Parade, Marysville Memorial Parade, the High School Homecoming Parade, and the city's annual Christmas Tree Lighting.

The enthusiasm expressed by this years Viking Regiment has shown their pride towards the school and themselves.

1.

This year the Concert Band started its season with a Christmas Concert along with the Stage Band. Director Don Jarchow said about the bands' performances, "I look forward to an excellent year with these students because of their fine attitudes and willingness to work." Mr. Jarchow went on to add that the Stage Band ranged from a variety of Jazz to early Rock 'N Roll, including many contemporary hits. Director Jarchow said, "Their knowledge of jazz music is increasing each semester." Other concerts held by both bands included: The Spring Concert, a Festive Concert held in competition, and a concert in the spring, presented to the elementary school students. Other projects held by the bands included a fruit sale and various dances throughout the year.

Each morning the sounds of the singing choir are heard floating down the halls, as they prepared for their next performance.

Throughout the year the choir presented several performances. Among these were a Christmas concert, performed along with MHS band in December. Again, there was action on stage as they performed a musical, "The Pajama Game," in March. In May, they staged a Senior concert, singing songs in French, German and songs from the movie "Fame." Our exchange student, Anna Sarrie played the violin in a special solo performance.

"The Thespians" is the M.H.S. Drama club. It gives experience to students in various aspects of theater such as, acting, mimes, set construction, prop selections, make-up application, costume construction or design, and management.

"The Thespians" also perform children's theater or present speeches on drama. Their biggest contribution to the school is supplying funds for the school musicals. They earn this money by sponsoring make-up clinics, and presenting mimes, or one-act plays.

"The Thespians" is not just a local club, but rather an international society for students interested in drama. "The Thespians" travel to other theatrical events, such as musicals, plays or dramatic presentations presented by other theatrical groups.

The Thespians Society got it's name from the first actor, a Greek called Thespis, who showed his emotions through actions rather than a traditional painted face.

Any M.H.S. student may become a member of the Thespians by earning ten points through writing plays, acting, directing or participation in a production. The Student must perform on stage as well as work back stage. Finally, the student pays an initiation fee. The amount is determined by the amount of points earned. Each member receives a year subscription to Dramatics Magazine, a thespian newsletter and a wallet-sized membership card.

This year's president of the M.H.S. Thespian society, Anne Fraley stated, "I like Thespians because I can be what I want to be, people don't think you're weird or different. It's a club which helps you to speak in front of groups. I like the thespians very much it's a part of school for me."

Marysville's "Guys and Dolls"

Last April, the cast of the 1981-82 musical demonstrated their theatrical ability to the students of Marysville High School with a spectacular rendition of "Guys and Dolls".

"Guys and Dolls" takes place during the very early fifties in New York, New York. Nathan Detroit is trying to keep his floating crap game from being shut down by Lt. Brannigan. He is also avoiding his fiancée, Adelaide Adams, who has been trying to drag him to the altar for fourteen years. In addition to these difficulties, Nathan finds that he needs \$1,000 to use Joey Biltmore's garage for the crap game. In order to raise the money, he makes a bet with a high-roller named Sky Masterson. The bet is based on whether Sky can take a young mission sergeant, Sarah Brown, on a plane trip to Havana, Cuba.

Mrs. Campbell was asked what she especially liked about the musical. She replied, "I especially liked having such a large men's chorus. In fact, that was the best part of the show." The men's chorus did a couple of large numbers in "Guys and Dolls". This year, since the ratio between "guys" and "dolls" participating in the musical is about the same, Mrs. Campbell indicated that she would miss having a large number of guys getting involved.

Forty-seven girls participated on the Valhalla teams this year. The Varsity team consisted of twenty-four girls, and Judy Manzel served as coach for the team. The J.V. team consisted of twenty-three members, with Lori Stewart and Andrea Kota coaching.

Both the Varsity and J.V. teams competed at Regional Competition in Dearborn, January 29. Both teams were selected to compete at the state level in Novi, Feb. 19.

Sports

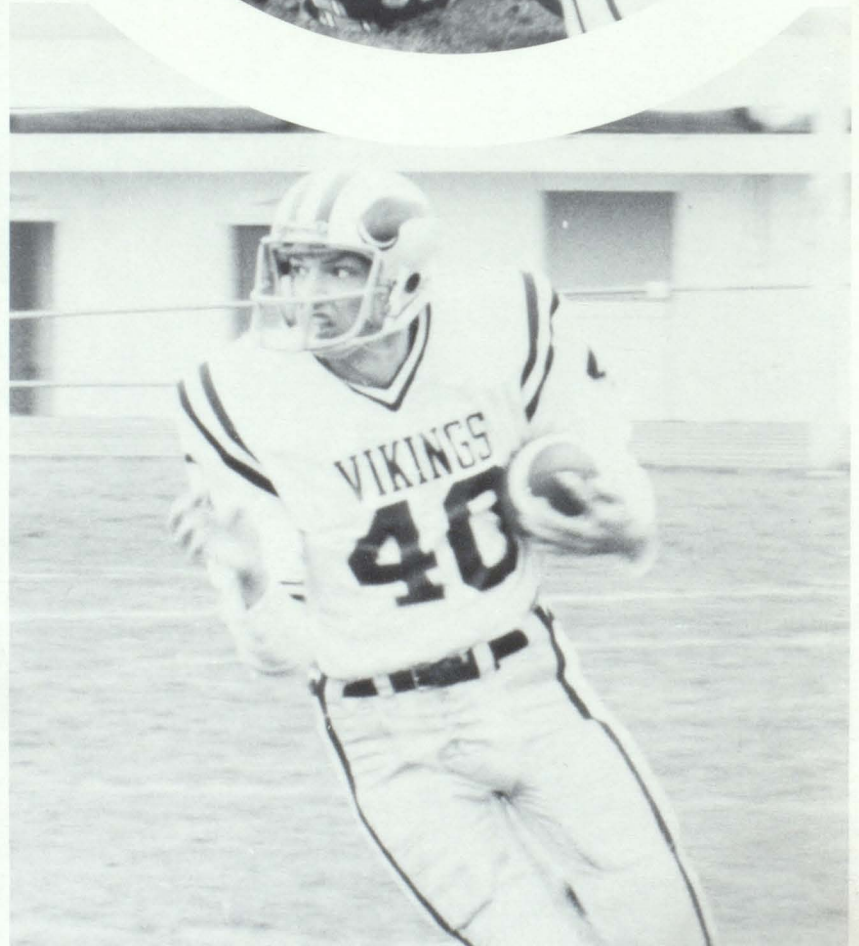

This year's sports highlight was the varsity football teams' advance to the State Semi-Finals.

Hundreds of fans from the Marysville area jammed Atwood Stadium in Flint to view the crucial climax of this year's season.

Marysville has a variety of sports in which the students may participate.

The boys may try-out for: Football, Baseball, Basketball, Track, Swimming, Tennis, and Golf. The girls have similar opportunities in sports such as: Softball, Basketball, Track, Swimming, Tennis and Golf.

Marysville has an increasing 50% of its students participating in at least one sport.

Vikings Advance to Semi-Finals

Step by step seems to be the way the Varsity Football team is going about capturing a state championship. This year's team made it to the semi-finals before being beaten by Dearborn Divine Child, 28-13.

1982 proved to be a very good season for the Varsity squad. They were undefeated in regular play, capturing 1st place in the SCAL, and went on to win the quarter finals against Lansing-Waverly. In the game against Lansing, the Vikings had to do something they have not had to do before, the team had to come from behind to win, 19-16.

Members from the team selected to SCAL All-Area included: Steve Palmateer, Rob Foster, Steve Nofs, John DeNardin, Greg Gkekas, and Jim Phillips for 1st team offense. For second team offense Scott Rogers, Roger Martin and Brian Siemen were chosen. Honorable mention were given to Gary Headlee, Doug Dougherty, Roger Smarch, Tim Wedge, Heze Miller and Dave Mugan. First team All Area Defensive honors were received by Tim Hartig, Joel Bates, Mike Bennett, Jim Phillips, and Tim Barbe. Second team defense included: Cary Robinson and Dave

McKenzie. All State honors went to Steve Palmateer and Joel Bates. Steve Nofs received special mention in the UPI. All State honorable mentions went to Jim Phillips and Tim Barbe. Steve Palmateer received the outstanding player award. The sportsmanship award went to Dave McKenzie. Tim Barbe received the Captains award. The Oil Can award, which is given to the most spirited player was given to Rick Bailey. Joel Bates was selected as the most outstanding defensive player. The outstanding interior lineman award went to three players: Cary Robinson, Steve Nofs, and Tim Barbe. A very special award was given to Greg Gkekas – the Fred H. Vincent Award – this year. This was only the fifth time in the history of the award that a Marysville player received it.

A special trophy was given to the team as a whole, the Herb Rosine trophy. This trophy will be awarded to the winner of the game between Port Huron and Marysville each season.

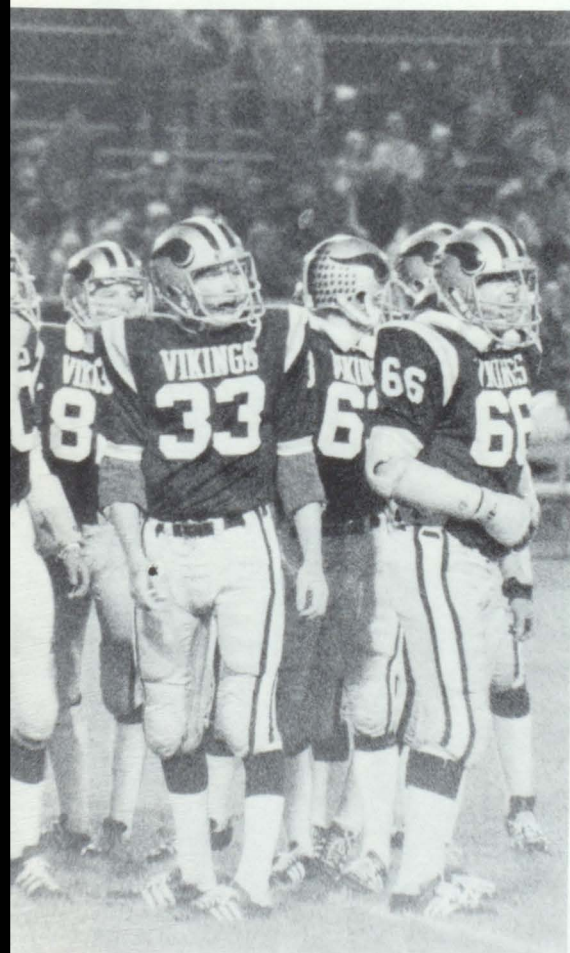

Coach Braun was voted the coach of the year by the Times Herald. With his fine coaching abilities and this squad's dedication, the "performance" of this season will be long remembered.

Coach Houck commented that everyone on the J.V. football team gave 100% to the winning effort this season. The evidence was the 8-0 season record. When asked what was the toughest game of the year, both Coach Houck and Jackson remarked it was the Cross-Lex game, because the Vikings were not prepared for the tough battle that Pioneers gave them. However the team did hold on for the win (7-0). Coach Jackson when asked how this team would fair as varsity players next year said "we have some excellent candidates for varsity starters next season." All in all both coaches agreed it was a fun season and this was a very coachable team. This years captains were Eric Barden and Delos Boulier, the trainer was Dylean Schomorrow.

...But Freshmen Won't Be Upstaged.

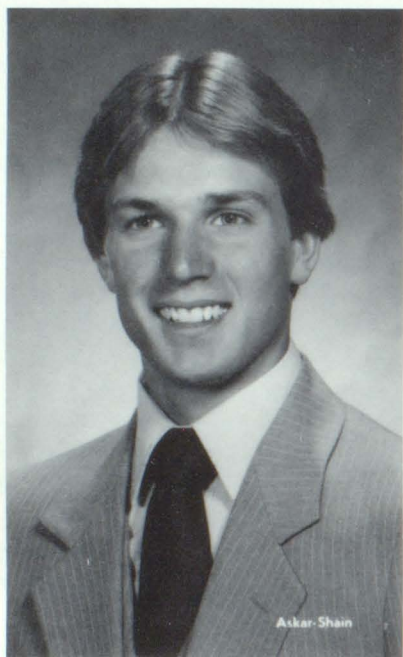

Coach Knuth feels the purpose of freshmen football is to teach the fundamentals, give everyone a chance to play, and make it an enjoyable experience for everyone. The coach went on to say that everyone did play in every game, and had a chance to start whether they were on offense, defense or special teams. Coach Knuth commented that their undefeated 7 and 1 season was the result of forty-six people pulling together and getting the job done. Coach Knuth thought the L'anse Creuse North game was the best, he suggested scoring the first four out of five times the team had the ball an especially exciting experience. This year's captain was Todd Robinson and trainers were Scott Turner and Matt Wilton.

According to Coach Jackson the 1983 basketball team is quick! They practiced a minimum of two hours a day, and they sometimes even practice on Saturdays. The coach looks for "Solid Effort" when selecting his players. He went on to say that his team did very well this year and then some. Jackson continued "Next year should be a fine interesting year. We will have very capable and talented players returning." Captain John DeNardin added, "This years team got off to a better start and has more depth. The teammates are really close and they set high goals. Each person has his own role on the team and follows it." Both Coach Jackson and Captain John DeNardin said that senior Joel Bates and junior Jim Miller (the pivot men) have improved the most on the team this year.

The 1982 Girls' Varsity Basketball team was coached by Mr. David Schmorrow. This was his first year coaching Girls' Varsity Basketball. In the past years, he had been coaching Girls' J.V.

"The team has alot of depth," stated Coach Schmorrow. "We have alot of good players, where the other teams don't."

"The toughest game that we've played this year was against Oxford. They have alot of experience and were the state champs a year ago."

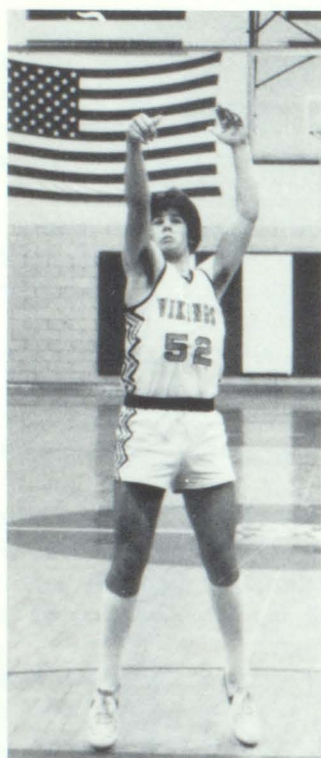

"The most exciting game was probably against Crox Lex in double overtime. We tied the game twice with the last few seconds of the game left!"

"The game against St. Clair had to be our best game. Our defense and fast break was really working well. That night was Fill the Gym Night and we had a big crowd." Coach Schmorrow stated, "That Fill the Gym Night will become an annual event."

Coach Schmorrow added, "The Major asset of the team was Amy Sawdon. She was the team Captain and was excellent in leadership. She never got flustered out on the court, she always knew what to do and helped the team when they needed it."

Amy Sawdon and Ellen McLean were chosen All-Area 2nd team, while the other three starters, Lynn Mozal, Jenny Bates, and Heidi McLane got honorable mention. "It's the first time that MHS has had all five starters score over a hundred points each," said Coach Schmorrow.

According to Coach Schmorrow, the most exciting games this year for the J.V. team were the come-back victories over Lakeview and L'Anse Creuse. When asked about the team itself Coach Schmorrow continued, "I have a very mature J.V. team this year. They accepted responsibility and demonstrated quality characteristics at all times. They were also fun to work with." The J.V. Basketball team works hard to be a good team. They practice one and one-half to two hours daily.

Kevin Palmateer earned the "Most Enthusiastic Player" title this year. According to the coach, he was awarded this honor because he played with intensity and confidence at all times, and believed anything was possible. The two outstanding players this year were Darrell Rebman and John Strzelecki.

Top Row: Todd Luciani, Tom Green, Brad Priehs, Todd Robinson, David Proksch, Todd Goodmen, Dean Parrott, Todd Sommerville. Second Row: Dave Gkekas, Troy Baker, Henry Sobkowski, Todd Greenia, Greg Allen, Matt Evans.

The freshmen boys' basketball team works hard. They practice about one and a half hours a day, five days a week, throughout the entire season. Coach Knuth thought that although the team is not big in size, this extra work has paid-off well. Every player has shown an increase in speed or strength.

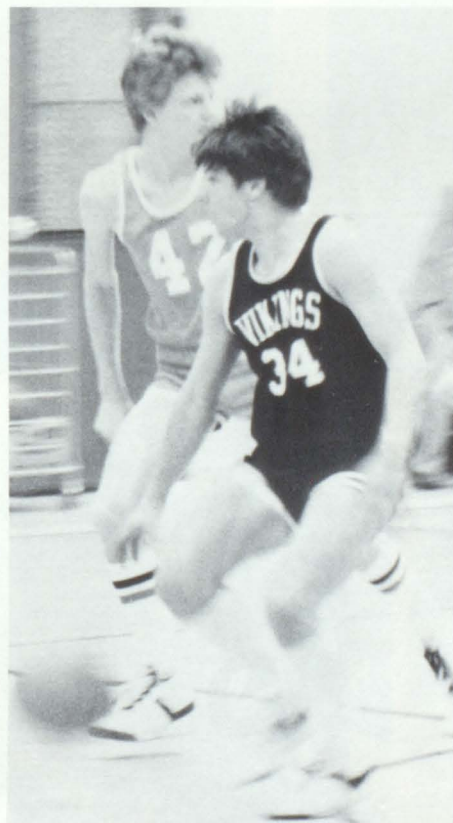

Coach Knuth said, "Although there is no single outstanding player this year the entire team is super!"

He especially feels that Troy Baker, Dave Gkekas, Todd Robinson, Todd Goodmen, Brad Priehs, and Tom Green show promise for next year's team.

The toughest team that the Varsity Volleyball team has played was Richmond. Even though the team hasn't been very successful, they are making progress. Mrs. Grice, the new coach, has helped the team a great deal by teaching new techniques and styles. She's especially pleased with Amy Sawdon and her powerful spiking, and Sue Kim, at returning of server, and Jenny Bates, best setter, and Kathy Benoit best server. Their most successful games were during tournaments.

The captains were Sally Butler for the seniors and Bobbi Jo Ferguson for the juniors. There are only four juniors on the team, so when the seniors graduate, it will be a great loss.

Last year's Freshmen baseball team had an excellent record of 11 wins and 3 losses. Led in hitting by Lane Whitcomb with a batting average of .515. Leading in stolen bases was Brian Groch with 10 and leading in RBI's with 13 was Kevin Palmateer. Pitching leaders were Roger Beedon and William Durbin. Together they had a record of 5 wins and 1 loss. They also led the pitching staff in complete games. Pitching shut-outs were by Roger Beedon, Lane Whitcomb, and William Durbin.

In Marysville's 7-6 victory over L'anse Creuse North, Don Nabozney was the key factor with 2 doubles, he also drove in 4 runs.

Varsity Baseball Team Takes

This year will be Coach Houck's fifteenth season. He feels that baseball like other sports are "team efforts and not an individual effort, if the team wins its a team win and if the team loses then its a team loss." The Varsity baseball team had an outstanding season last year, they won the League Championship, they also had an outstanding pitching staff which consisted of Barry Braun (8-1), Jeff Hall (3-1) and Tim Smith (3-1). This was one of their better offensive seasons having a team batting average of over 300 and very good defensively giving up less then 2 errors a game and an earned run average of 2.5. The seniors that will be missed are Barry Braun, who was voted Most Valuable Player, Bill Bowman, Brian Bowman, Ron Horne and Rod McLane. Coach Houck is hoping for a promising season this year with four starters coming back. They are John DeNardin, Jeff Hall, Tim Smith and Kevin Taylor. Last years Sportsmanship award went to Jeff Hall. The team was 10-2 in the league and 16-7 overall. Coach Houck's goal this up coming season is with the talent of the J.V. squad and the 11 potential returners, he is looking for another successful season. Coach said, "The question is in the pitching, I think the team has a winning attitude". The most outstanding game last season was against Richmond. It was an important mid-season game and the Vikings came from behind and won in extra innings; the score was 7-6.

When Mrs. Burns was asked how many people were going out for J.V. softball, she said, "Hopefully more than last year."

Mrs. Burns feels that students like to win, and she also feels that softball is a winning program. According to Mrs. Burns, some of the biggest assets of the J.V. softball team are the availability of good facilities and equipment, caring coaches, and a caring Athletic Director.

Marilee Johnson earned the title of the Most Enthusiastic Player.

Fielding ground balls and planning game situations were two of the things the J.V. softball team had to work on most. When asked what the team was best at, Mrs. Burns said that hitting was the team's most outstanding quality. She attributes this to a pitching machine and the time spent after school and sometimes early in the morning, practicing their batting.

Combining a stringy defense, great pitching, timely hitting, and aggressive base-running, the Viking Varsity Softball team used a brand of "Venia-ball" to reel off a string of twenty-four consecutive victories and an undefeated S.C.A.L. Championship. The Vikings also won their own Marysville Invitational tournament. They were rated No. 1 in the State, most of the season, by the High School Coaches Association Poll. Only a bitter extra-inning 6 to 5 setback in Richmond at the District Championship game, against the "Blue Devils", marred an otherwise

"Super Season" and prevented the Vikings from advancing to a possible State Championship. Led by the pitching of Most Valuable Player, Heidi McLane, and the bat of leading hitter Monica Miller, the Vikings finished the '82 season with a school record of twenty-four wins and only one loss. "With the return of veterans Sandy Beedon, Amy Sawdon, Cindy Mertz, Jenny Bates, Heidi McLane, Lynne Mozal, and Monica Miller, the 1983 season promises to be even better. I can't wait," was Coach Venia's response when asked about the upcoming season, "We'll be better!"

The Varsity Cheerleaders had many other things to do this year in addition to cheering at games. They were involved with selling carnations to raise money for new uniforms, along with organizing pep assemblies and generally just keeping school spirit flowing.

The cheerleaders devote a very large portion of their time to their sport. They practice three days each week, for two and a half hours, in order that they will be prepared for the many sporting events.

Mrs. Troy is the new varsity cheerleading coach. She coaches all three cheerleading squads. "These girls work hard", said Mrs. Troy, "and they do an excellent job."

Marysville was the decided SCAL "star" this season, outdistancing their nearest opponent, Mt. Clemens L'anse Creuse North by over 20 points. The 1982 boys track team finished the season with an overall record of 11-0 and a league record of 8-0, capturing first place in the SCAL. The Vikings went on to take 1st place in the Anchor Bay Relays, Port Huron Relays, Port Huron Huskie Relays, and the Marysville Invitational. The Boys went on to win the Regional meet with a score of 100.

Ellen McLean was voted this year's Outstanding Female Athlete by the Times Herald and also this year's Most Valuable Player. In addition, the team gave special recognition to Captain Lynn Wedge. She also received the Sportsmanship Award. Coach of the year was given to Marysville Coach, Dave Schmarrow. Coach of the year is a special award given by the Times Herald to this area's outstanding Coach.

The Seniors Star In The

What does it take to run Cross Country? According to the 1982 Cross Country team captain Peggy Petrick, "It takes courage, endurance and the ability to withstand pain." In a typical meet a student runs 5000 meters (3.1 miles) up and down hills in all kinds of weather and all kinds of terrain. It is demanding both mentally and physically. The State Meet (this year coldest outing) was held in 35 degree weather with 20 mile an hour winds. Captains were Marty Newingham and Jim Pipe. The seven seniors on the team were Marty Newingham, Ron Johnson, Jim Pipe, Tony Foerster, Craig Stephenson, Allen Redman and Gary Reid. The boys had many outstanding achievements this year: 1st at Holly, Metro and Marysville Invitationals, SCAL Champs, Regional runner ups and 5th in the State. The boys went 4-0 in the SCAL and 5-1 overall. The only senior on this year's girl's team was captain Peggy Petrick. Peggy led the girls to their most successful year since the girls team began. They were 1st at the Marysville Invitational, SCAL Champs, Regional Champs and 7th in the State. Their SCAL record was 3-0 and went 5-2 overall. Their Regional title was the first ever for a Marysville girls Varsity sport. This was the 1st time either team has made it to the top 10 in the State. Marysville's combined scores at State were not topped by any other team. The team would like to congratulate Coach Patterson for being voted Area Coach. This award is presented by the Times Herald.

The 1982 tennis team finished a successful season with a final record of 12 and 2. Their league record was 2-0. They took first in the SCAL with 5 points. Their success this season was the result of practicing two hours after school every day, which, according to Steve Maynard took alot of hard work and effort. An award was given to the captain, Scott Forester, for the Most Valuable Player. Ken Benoit was also captain. Alicia Kim was given the Sportsmanship Award.

Underclassmen

Juniors

The 1984 class is in the third act of its high school career. The Juniors were very busy this year working the concession stand for each Varsity football game. In the fall they sold bumper stickers to support the state playoff bound "Vikings". This year the Junior class took third place in the float competition, however at Christmas time they took 1st place in the canned food drive.

The most important social event for the class, the junior prom, was at Gardens School on January 21st. The theme was "Tonight I'm Yours."

Junior life is an everyday drama.

PAC-MAN Steals the Show!

The 1982 Sophomore float was constructed at the home of Steve Maynard. This year the class selected the theme "Eat the Packers." The construction was a group effort, and was completed in less than a week. The float was a replica of the video-game craze, PAC-MAN. By operating ropes within the float, Rob Lange controlled the mouth. Even though it collapsed at the game, the Sophomores still took first place with their PAC-MAN.

Freshmen

The freshman year is a year full of adjustments and challenges.

As a freshman, students must face the problems of adapting to a new school. However, many freshmen feel this disadvantage is more than compensated for in the freedom which is allowed high school students.

There are numerous activities that freshman may become involved in. As a result of this involvement there are also many new friendships which are cultivated.

A-Freshman "take five".

1. Gretchen DenUyl takes time out from planning for her future to give the yearbook photographer a smile.
2. Members of the freshman class stand in front of their float waiting for the Homecoming parade to begin.

It was the best of fashion and the worst of fashion as the school doors opened this year! Puffy sleeves, circular skirts, and ruffled lightened sweaters set the mood for fall, accompanied by belts, cummerbunds, bow ties, leg warmers, berets and head bands. Kiltie flat shoes were seen as well, as the seasons wore on; with the return of culottes, knickers and mini-skirts. The pleasure of plaids, bold stripes and glitters, of metallic donned the student's bodies. The continuation of designer jeans and leather boots inspired the western look for guys and gals.

Men have always looked marvelous in tuxedos, the 1982-83 fashion designers have taken this classic and turned it frankly feminine for the ladies evening wear. Sailors were on the scene with the sensational military style.

All and all these were the fashions which graced the halls of Marysville.

**When you look for a job,
they'll ask for experience.**

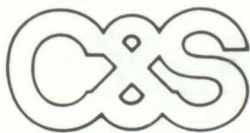

Whether you're headed on for more schooling or you're headed into the job market right now, one thing's for sure.

Employers are looking for experience.

When you look for a bank to begin handling your accounts you should ask for experience, too.

Experience means when you need a bank for more than saving and checking, they'll be able to handle your needs.

The bank with the most experience in St. Clair County is The Commercial and Savings Bank. We've been helping people and businesses continuously since 1871. That's experience!

Each member of your family, whether young or old can benefit from the experience of a spa in your home. Countless hours can be shared within this family setting in enjoyment and relaxation. A year round joy. Sensuous warmth-soothing relaxing tropical waters all year long.

Think of the warm pleasure on a chilly evening in the luxury of a Dietz Spa-what could be better! Someone you love, laughing, talking, making plans or just sharing a quiet time together.

After a hectic day at work imagine yourself stepping into your own secret world, surrounded by refreshing heated water and billions of bursting, swirling bubbles that instantly begin to relieve the tension and pains of everyday life. A truly relaxing affair!

An original design of all fiberglass construction, manufactured from especially compounded resins that provide durability, strength and beauty.

Because of the unique modular design each unit passes easily through most household doorways allowing a full depth spa in even the most "Hard to Fit" locations.

As the performance ends, the final curtain starts to fall, and the stage is empty, so are the lockers and rooms the students once occupied.

The 1982-83 school year was the Seniors greatest performance at M.H.S. It is over now, but the memories created through the year shall endure. They will live on the pages of "All The Worlds A Stage" and in the students hearts and minds forever.
